“My clients’ passion for their endeavors drives me to really understand their needs so I’m able to help them achieve their goals.”

I joined Johanson & Yau in 2016 after nearly 16 years of experience both in the public accounting industry as well as non-profit. I specialize in tax planning, compliance and conflict resolution for high net worth individuals and closely-held businesses. My objective is to provide clients with the freedom to pursue their financial interests without being preoccupied by financial reporting and tax obligations.

I grew up in Silicon Valley where I continue to reside with my wife, two daughters and golden retriever. I’m continually impressed with the ingenuity, diversity and vast opportunities created right here in my hometown. A Bay Area professional sports enthusiast, I also enjoy golf and the great outdoors.
